H.E. Mr. Vladimir E. TARABRIN
Ambassador of the Russian Federation to the Netherlands
Andries Bickerweg 2
2517 JP 's Gravenhage

Your Excellency,

We feel with all the people who are lingering in Russian prisons because they question the war in Ukraine and Russia.

We like to inform you that we will hold a meeting in front of the embassy on Wednesday September 11th from 14 – 15 hour to express our solidarity with them. We would like to hand you a list of all these people and ask you to relay our desire for Peace and Freedom for all to the Russian government.

We are a handful of peaceful Russians in exile and Dutch people saddened about *all* the weapons and young men being sent to the front. Here you can find some more info:

We hope you have a minute for us and wish you
